0 of 0 review helpful A must read for all coaches By cabbage First You will not put this book down until you have read it It will find its way into your hands until you have read it cover to cover If you are decent coach committed to teaching kids you will know a good bit of the content but the beauty of this book is the illustrations that shows player putting these fundamentals to use Keep in Charlie Lau studied the art of hitting for his entire professional career As a

journeyman catcher for Detroit and later for Baltimore he had a unique vantage point for observing just what it is that makes some batters successful while others of equal or greater ability go hitless game after game His observations led to questions many of which had never been asked before about hitting about how to maximize your power and about many of the old rules of thumb everyone h
