0 of 0 review helpful Great book I ve ever seen By Xiaoshi Huang I read over 10 famous golf books and feel this book  
is the best one First of all it s so easy to catch the main ideas with pictures in the book that I can finish it in a couple of  
days The effect is amazing The first round after I read this book I got three birdies in front 9 hole which was never  
happened before The best thing in this book is Tom Watson A guide to the most difficult and important shots in golf  
and how to score well from forty yards and in 118 000 sold to date com There s an old golf saying that you drive for  
show and putt for dough Despite recent woes with the mallet Tom Watson has been a master on and around the carpet  
throughout his esteemed career In easy conversational style he fills this essential instru
