2 of 2 review helpful Perfect for the uninitiated By Barbara Jean I just got back into golfing last year after a ten year hiatus and this book was just perfect It does a great job of breaking down a lot of the mystery and intrigue associated with the game and made me much more comfortable on the course I still have MUCH to learn which is really one of the best aspect of the game IMHO but this was great about putting m Throughout her teaching career Kellie Stenzel

has been continually asked to recommend a beginning golf instruction book for her female students to read She researched the market and found nothing suitable most books are too technical for the beginner and assume that the reader already has some familiarity with the game This became the inspiration for The Women s Guide to Golf a well crafted and easy to understand golf instructional for women who are new to com Kellie Stenzel Garvin a PGA and LPGA class A teaching professional has been golfing since she was 3 years old In her book The Women s Guide to Golf she attempts to teach the woman golfer who has not Assuming the reader has no prior knowledge
