By Robert Trent Jones Jr. : Golf by Design: How to Lower Your Score by Reading the Features of a Course
new equipment from leading manufacturers can help you improve your score for golfers theres nothing like the prospect of spring after hours in the gym and the pelican hill golf club in newport beach offers a variety of golf instruction programs designed to take your game ot the next level Golf by Design: How to Lower Your Score by Reading the Features of a Course:

0 of 0 review helpful Improves your scores some but your appreciation for the game even more By Drewcephus Starts off a bit shaky and almost amateurish But when he gets into the meat of the topic RTJ Jr begins to shine If you have any love of golf course architecture or if you need to begin thinking more strategically about your rounds this is a wonderful book I remember when I was just beginning to play golf I t Drawing on a lifelong passion for the game the author shares the expertise he has gained as a premier golf course architect and skilled player In this instructional book he shows readers how to maximise their shot making abilities by thinking their way around a course and studying it from an architect s perspective The architect has designed his course to defend par and this book shows how they think taking the golfer step by step through a variety of different cours From Library Journal A time honored adage of the sports world is that fundamentals come from the ground up and Golf by Design literally exemplifies this statement The author an internationally acclaimed golf course architect has produced a how to work of con
