Fay : Golf, As it was in the Beginning: The Legendary British Open Courses** the hardcover of the golf as it was in the beginning the legendary british open courses by michael j fay michael a freeman at barnes and noble golf as it was in the beginning the legendary british open courses by michael j fay michael freeman photographer starting at 669 golf as it was in the Golf, As it was in the Beginning: The Legendary British Open Courses:

1 of 1 review helpful A look at the British Open courses By David Pruette Golf As It was in the Beginning by Michael J Fay is a coffee table book packed with photographs of the various British Open courses Mr Fay has selected 18 holes from all the courses and uses his descriptions of the holes to give the reader a feel for what the courses look like and how they might play He describes what makes the holes so outstandi Who among golfers does not dream of one day playing the great windswept and gorse filled seaside courses of the British Open those seemingly natural and subtle but magnificently challenging courses where even Tiger Woods can become a cropper Who does not dream of teeing off the hallowed greens of Prestwick or Royal St Georges playing such famous holes as numbers 2 and 11 Dyke and High at St Andrews For all who love the game author Michael Fay in the tradition o From Publishers Weekly It s a duffer s dream a fantasy course of 18 holes each drawn from a different and real British course used in British Open
