Dictionary of Golfing Terms: From 1500 to the Present:

2 of 2 review helpful The best source on golfing terms By dcnicholls This is an excellent book for people curious about the meaning and origins of golfing terms It covers historical words for example the old names of clubs in the hickory era and current words and their origins I get emailed regularly about such things via my website and this is the source I turn to to answer the tricky questions It s also worth look No game has a richer array of terms than golf As new golfing terms have accumulated old ones have changed or faded away This concise yet informative dictionary provides definitions and the etymologies for the extraordinary vocabulary of golf built up over its five hundred year history To discover the origins of golf and its special language Peter Davies combed little known archives on two continents As his unique contribution to the game Davies rsquo s enthu From Library Journal Frog Hair mashie and niblick are a few of the more colorful terms defined in this entertaining and thorough piece of research by noted lexicographer and golf enthusiast Davies The format is that of a conventional dictionary with entrie
