0 of 0 review helpful Five Stars By rmc great book a classic shipped to me in fine condition as agreed 1 of 5 review helpful Disappointed By Jeff Rogers I bought this book as a gift because the description said it was like new with duct cover Turns out there was no dust cover and the book had already been signed Although the overall condition Ben Hogan s premise in this 1957 classic is driven home in bold letters THE AVERAGE GOLFER IS ENTIRELY CAPABLE OF BUILDING A REPEATING SWING AND BREAKING 80 Religions are founded on less and Hogan s detailed analyses and illustrated demonstrations of grip stance posture and the two basic components of the swing make up a sacred book Though its very simplicity seems dated this is the tome of technique that should serve as the foundation of every golf library
