serious golfer who See and Feel the Inside Move the Outside, Third Revision:

3 of 3 review helpful Good read By D Zahara I ve read a ton of books on both golf instruction and just golf in general I find this book appealing in the sense that its not really mechanical I think breaking down the swing in such a fashion is a disservice to the majority of players I went from a decent player to a complete hack after over analyzing the swing and breaking everything down Although I will say with t A must read for every serious golfer who wants a thorough understanding of the fundamentals of the golf swing It s one of the best books on the golf swing in publication and truly focuses on the motions and actions present in all sound golf swings Explanations and the many illustrations are easy to understand Hebron quotes Ben Hogan and Bobby Jones throughout the book Originally his Masters thesis now a classic in the industry Third revision refines the book even
