1 of 2 review helpful Very annoying but one of my Favorites By Jon Robert Conclusion first I found the book format

in first chapters to be annoying but the fundamental premise inside outside shows great promise FOR A BODY POWERED ONE PLANE SWING NOT APPLICABLE TO A HANDS AND ARM POWERED SWING This promise therefore means I highly recommend the book with 5 stars This may be as close to the magic pill as I will ever get Expanded Second Edition 151 pages 8 1 2 X 11 Golf Instruction Hebron nick named The Teacher s Teacher is a speaker and consultant on golf instruction to 42 PGA sections in America and many PGA s around the world This book filled with a wealth of research and interpretations on the golf swing is his original Master Thesis for his PGA Master Professional designation This book is certainly equal to or better than any thesis on the subject of teaching I ve ever seen turned into the PGA Joseph O Brien Director of PGA Education I have really enjoyed reading Mike s book which is full of enlightening
