**By Richard Berger : Re-Thinking Golf: The True Loft System** mar 12 2008  
its true what they told you alps graphite irons tend to be better for a slower swing because they are uniformly flexible very light compared to the weight of hi tom hope youre enjoying retirement i currently us only two clubs that are not from the wishon stable but im getting very close to replacing my 10 year old Re-Thinking Golf: The True Loft System:

0 of 0 review helpful If you play golf or ever want to play golf buy this book By sheila parnes kaplan Mr Berger has magically managed to demystify the game of golf while honoring its history and the elemental beauty of the game His down to earth celebration of the game serves as a very accessible simple and usable instructional guide that will improve the golf experience of every level of golfer from the beginner to t RE THINKING GOLF A Golf Book for the Rest Of Us Many golf books have been written for many years Almost none of them have been aimed at the casual or recreational golfer Almost none of them have tried to make the golf swing simpler or golf a simpler game I believe that this book does both of those things Golf cannot really be taught but it can be learned I believe that s true about a lot of things by the way Music Art Business A swing instructor can
