**By Susie Meyers : Golf from Point a** golf is a club and ball sport in which players use various clubs to hit balls into

a series of holes on a course in as few strokes as possible golf unlike most ball browse over 20000 golf courses in our directory or search using our golf course finder golflink features contact and address info maps awards reviews ratings Golf from Point a:

3 of 3 review helpful if you are looking for a book that will give you a great plan for playing the game By Kathleen R If you are looking for a how to manual that will teach you the basics of golf the grip stance etc this is not your book However if you are looking for a book that will give you a great plan for playing the game then look no further This is the holy grail of game plans Simple well writt Is golf simple or complex How you see the game depends on your point of view Is it hit the ball find it and hit it again or feel anxious and worried about where the ball is and how to hit it when you find it Point A shows you that simple is highly effective and improving your game is more about where your mind is than where your backswing is You control your thoughts and your thoughts control everything Whether it s a drive from the first tee a lob over a bu
