By Amy Bodin : A College Golf Plan: Realize Your Dream of Playing College Golf dan i am a 4 hcp golfer who started golf at 25 and know i am 33 i also put in some hard fun hours trying to master this game i suggest to keep working on your the goal programming process we use in our training programs at pro tour golf college define the core

training factors in our ei training process and were developed A College Golf Plan: Realize Your Dream of Playing College Golf:

1 of 1 review helpful Like the author s son By S Jordan We bought this book when my daughter was entering her freshman year of high school and have referred to it as our bible over the course of her high school career The advice is solid detailed completely on point and we followed it almost to the letter Like the author s son our daughter is a solid player but not a top Division 1 recruit so finding interested A College Golf Plan is one of the only in depth books specifically designed for the junior golfer who desires to play golf at the collegiate level It is a must have companion for every junior golfer seeking their spot on a college golf team With limited college golf team spots and scholarships available you need an edge and this is it The business of college sports recruiting is complicated and confusing Junior golfers and their parents rarely know where to turn About the Author Amy Bodin has supported heads of Fortune 500 companies worked with high profile news reporters spearheaded multifaceted marketing campaigns designed and compiled intricate sales and marketing research data worldwide and assisted in copyediti
