By Ben Hogan : Power Golf golfpowercarts is part of the innovagolf family of companies founded in 1999 to market golf club head covers and other golf accessories since then we have golfers test the power package we recently invited

golfers of varying skill levels and training challenges to put the power package to the test Power Golf:

5 of 5 review helpful follow up to Five Lessons By Curt even though it was written before Hogan s Five Lessons Power Golf addresses some issues that Five Lessons does not like putting and sandplay for example However in my opinion it would be advisable to digest Five Lessons first and then open up your game with Power Golf in that order Five Lessons will instruct and help you discipline yourself on the fund Now available in trade paperback mdash the best golf instruction book ever written from one of golf rsquo s all time greatest players mdash featuring more than 120 self teaching tips and illustrations to show readers how to lower their golf score There is no such individual as a born golfer Some have more natural ability than others but they rsquo ve all been made mdash Ben Hogan Considered one of the greatest golfers in the history of the ga About the Author Ben Hogan discovered golf as a fifteen year old caddie He turned pro at seventeen joined the tour full time as a nineteen year old in 1931 and has won nine pro majors A four time PGA Player of the Year he is one of only four golfers
