By Bernard Darwin : Golf Courses of the British Isles world golf courses an international golf course guide featuring information reviews and commentary world golf courses gives a thorough look at golf courses in more royal links golf club get a taste of 11 different british open rotation courses and forget about the long flight across the pond and trekking all over the british isles Golf Courses of the British Isles:

1 of 1 review helpful A fine reproduction of a classic golf book By Tim A fine reproduction of a classic golf book Illustrations and text are at the highest level and unsurpassed in most publications today 0 of 1 review helpful A little disappointing By Odette It s pages of drawings which are okay but I obviously didn t read the description as carefully as I shou The Golf Courses of the British isles has been called the finest book on golf ever written Written almost 100 years ago it is one of the rarest and most sought after books in the whole literature of golf a sharp and opinionated pilgrimage to great temples of golf This facsimile contains all 64 of Harry Rountree s paintings For anyone who loves the game this book is an absolute must com Long out of print but now reissued in a facsimile edition this classic tour of British golf courses and the golfer s psyche by naturalist Charles Darwin s grandson survives 87 years after its

original publication as one of the fittest and most elegant b
