**By George Peper : Story Of Golf** the upcoming season 7 premier of golf channels feherly will be split into two parts hey when phil mickelson is the guest you need extra air time his son has never been so forthcoming like most things in a personal life that he has guarded with the same intensity he played with tiger has avoided with the Story Of Golf:

2 of 3 review helpful Almost the Complete History By Robinson Overall I felt the book was excellent especially the first half which is a can t put this book down until I have finished it it describes the development and the way golf evolved I was riveted with many of the facts and information for example before the 14 club rule one player used 31 clubs to play a round I really had sympathy for the poor caddy that had to A lavishly illustrated history brings to life the full rich history of the game of golf from its earliest forms in medieval Europe to the development of a modern televised play 250 full color photos com Exactly how and where the Royal and Ancient Game began is as lost as a tee shot drowned in the muck at the bottom of Rae s Creek But conversely so much of golf s rich history has been carefully preserved Born as the companion volume to the PBS document
