july Long Island Golf:

0 of 0 review helpful Great Book By Customer Great informative book if you are from Long Island 0 of 0 review helpful Awesome book for anyone interested in golf history By Customer I enjoyed this book a lot It s a great photo history collection covering the development of Long Island and its golf courses What I liked most was that it covered the well k When the European sport of golf found its way to Long Island and took root in the Hamptons at Shinnecock Hills in 1891 its journey across the Atlantic served as the opening drive of a recreational era that now spans three centuries Home to more than 130 golf courses the area boasts prestigious American clubs overlooking picturesque Atlantic bays and inlets along with public layouts climbing and descending the region s sloping terrain Long Island is home to the most About the Author Phil Carlucci is a local golf writer and editor as well as the creator of Golf On Long Island a website covering Long Island rsquo s public courses since 2008 The images in this book were collected from libraries historical societies museum
