1 of 1 review helpful Another look at the mystery of Mr Hogan s swing By Gary L Very interesting stuff If you are a Hoganphile it s definitely worth reading But like the rest of the Hogan books out there you need to sift through the author s own perspective bias Most writers if not all start with their own view of what is right and what is happening and flavor what they write from that perspective drawing Ben Hogan is legendary intriguing and mysterious It rsquo s a combination that has contributed to Hogan being the most interesting golfer of all time Aside from his amazing competitive record his secretive and solitary personality provoke wonder and devotion among thousands of golfers worldwide who attempt to unlock Hogan rsquo s secret code of how to swing a golf club and strike a golf ball Hogan himself has fueled this intrigue mainly because he openly decl This book ends the speculation and the guessing Hogan s real secret is finally and credibly revealed In addition it will make a huge immediate difference in ANYONE S game This will go down as a classic and one of the best golf books ever written
