0 of 0 review helpful Great Finish to a Lesson By John I really liked the use of pictures with both correct and incorrect

positions The desire to teach rather than market his knowledge probably keeps the school from expanding its demand even more If you are so wrapped up in the back swing you forget what your real goal is then this book is for you I gave it 5 stars but wish he would have spent a little more time descr Almost every golfer struggles with consistency in their game Typically a player might hit a few great shots followed immediately by several disastrous ones without being able to discern any change at all in their swing It can be incredibly frustrating The cause of this problem is most frequently found in the moments before and after impact which are key to building a perfect swing Once your finish has been refined the backswing and downswing can be blended i
