By Bradley S. Klein : Discovering Donald Ross: The Architect and his Golf Courses so who did it who created this fake donald trump time magazine cover and managed to put it in several trump golf clubs we need to know if you have any clues let located just east of knoxville near the foothills of the smoky mountains the golf course at holston hills country club is as well preserved a donald ross design as Discovering Donald Ross: The Architect and his Golf Courses:

0 of 0 review helpful Award winner for a good reason By Valuable Book The 367 page book is profusely illustrated with color and black and white images of Ross rsquo courses and other historical events in his life These are supplemented by individual hole design drawings done by Ross and reproduced with permission from the various courses and by the Tufts Archives in North Carolina which holds a large body of the Ross lega Discovering the life and work of a true artist Donald Ross I grew up playing a Donald Ross golf course Scioto Country Club in Columbus Ohio so my standards of what a good golf course should be were based on a Ross design I think being exposed early to

a Donald Ross course provided me balance as both a player and future golf course designer because of the variety of shots found throughout each of his design Ross was without a doubt a great influence o the most thoroughly researched book ever produced on the life and work of a golf course architect Brian McCallen Golf Magazine From the Inside Flap Over a career that lasted from the early 1900s to the lat
