**By Scott Cranfield : Intuitive Golf: How to Unlock Your Natural Ability** eve blazo will give you an affair to remember whether youre sleepless in soho or singing quot;aint no sunshinequot; down the streets of cobble hill eve believes your love the web game displays actual news stories that have been published around the web along with source information your job is to determine whether what youre Intuitive Golf: How to Unlock Your Natural Ability:

8 of 8 review helpful Just enough mechanics and one small caveat By M Etter First let me explain the caveat This book promises a companion website for the book with videos and drills at scottcranfield.com That site does not appear to be ready yet mid May 2013 and there is no contact us link to find out when it will be live If that website were live now I d give this book five stars As it stands now you ll nee You possess more natural ability to play the game than

you think Call it intuitive knowledge call it an inner genius the fact is it is there Scott Cranfield PGA Master Professional This book will show you a new way to learn the game a way that allows your body to tap into your intuitive ability by freeing both your body and your mind It will show you how to develop your own golf swing rather than someone else s and play your own game Armed with this appr
