and much more great photo galleries of your favorite golf courses around the world worldgolf presents great pictures  
and reviews of golf courses Golf Around the World: The Great Game and Its Most Spectacular Courses:

2 of 2 review helpful Superb By J W Boyes For some reason at age 58 I became very interest in golf courses and their design While this is not a design book it does give a bit of background for the courses One thing I like that is not present in most books is that a routing for the course is shown I have only just started to read this about 30 pages in and am beginning to conclude that this may become my favorite g This lavishly illustrated volume spotlights 55 of the most stunning golf courses across the globe Transporting us to the birthplace of golf mdash Great Britain and Ireland mdash as well as renowned sites from St Andrews in Augusta to Ballybunion in Melbourne from Pebble Beach to Valderrama Golf Around the World demonstrates the tremendous appeal of the game through depictions of the top world class courses Panoramas of lush greens and beautifully landsca About the Author
